This November, Asian American and Pacific Islander voters will play a key role in shaping the future of our country, our state and our neighborhoods. California is home to the largest Asian American and Pacific Islander population in the nation and we believe that an informed Asian American and Pacific Islander electorate will benefit our entire state.

We want to help you get the information you need to be an informed and engaged voter, so we created a statewide Asian American and Pacific Islander Voter Guide to educate Asian Americans and Pacific Islanders on a wide range of issues.

A lot of people will be voting this November and it is going to be a close election. Your vote will make the difference. Please remember to vote on Tuesday, November 8, 2016.
